DISCLAIMERS & AGREEMENTS:

No Refunds: Due to the nature of the material and information, there will be NO REFUNDS. Please make sure you have all information necessary to make a final buying decision before ordering.

Not Investment Advice: By checking AGREE, I understand that anything said, emailed, written or conveyed in anyway, within the Room or outside the Room shall have no outcome on my trading decisions. Nothing heard or seen within or without the Room shall be construed as a recommendation to buy, sell or hold stocks, options or securities. No one in the Room is licensed to provide actual trading advice. I understand I must contact my broker or accountant for or about any trade I may make.

Disclaimers:

Limit of Liability/Disclaimer of Warranty: While the Producer, Publisher and Author have used their best efforts in preparing this course, manual and videos, they make no representations or warranties with respect to the accuracy or completeness of the contents of this manual or videos and specifically disclaim all warranties, including without limitation, warranties of fitness for a particular purpose. No warranty may be created or extended by sales or promotional materials. The advice and strategies contained herein may not be suitable for every situation. This manual and videos are sold on the understanding that the Producer, Publisher and Author are not engaged in rendering legal, accounting, trading or other professional services. If professional assistance is required, the services of a competent licensed professional person should be sought. Neither the Publisher nor the Author shall be liable to damages arising here from. The fact that an organization or website is referred to in this manual or videos as a citation and/or a potential source of further information does not mean that anyone endorses the information the organization or website may provide or recommendations it may make. Further, readers should be aware that internet sites listed may have changed or disappeared between when this work was written and when it is read. Nothing herein said, written or implied shall be construed as a solicitation to buy sell or hold any securities. Everything herein shall be strictly for educational purposes only. Any trading has risks and any trade must be considered in consultation with your broker and accountant to determine suitability and insure that you are aware of all the potential risks and that you are prepared to accept them all. In certain cases losses can exceed your entire net worth. Never risk more than you can afford to lose comfortably.

CFTC RULE 4.41: Hypothetical or simulated performance results have certain inherent limitations unlike actual performance record: simulated results do not represent actual trading. Also, since the trades have not actually been executed, the results may have under- or overcompensated of the impact, if any, of certain market factors, such as lack of liquidity. Simulated trading programs in general are also subject to the fact that they are designed with the benefit of hindsight. No presentation is being made that any account will or is likely to achieve profits or losses similar to those predicted or shown.

You must get and read "Characteristics and Risk of Standard Options" ~ you can get a copy at ~

Risks: Any trades that I may take shall be only at my own risk and discretion. I certify that I will confer with my broker and accountant on any and every trade and will only take those trades that my broker has given approval and deemed suitable. Any trades that I may take by being in the Room, whether personally, through my broker or accountant or by way of an auto trader shall all be considered extremely speculative and risky. I hereby personally and totally accept any and all risks that any trade shall constitute. I understand there are no guarantees made as to the profitability of any trade or strategy.
